The Savannah Chamber Weekly Digest
Everything You Need to Know From the Chamber

A Note from Chamber Board of Directors Chair Jon Pannell

Friends,

As a member of the Savannah business community, our hearts are with you and your teams as the world continues to battle the COVID-19 virus. We are in unprecedented times, and now more than ever, Savannah needs to stand united as we support the actions taken by our local, state and federal governments to keep our families and our businesses safe. Today, Governor Kemp announced a ban on gatherings of 10 people or more and issued a shelter-in-place order for the medically fragile, meaning the elderly and immunocompromised. He is also requiring the state-wide closing of businesses that cannot provide at least six feet of distance between patrons at all times, and gave the Department of Public Health the

authority to close businesses and assemblies, including churches, that can't or don't comply with the rules.

Your Chamber knows you are facing questions about the immediate future, and we want you to know that we are still here to support you, your business and your staff. Our team is working diligently to continue serving our membership and partners, and we will continue communicating through our social media channels and our website during these uncertain times.

We have compiled a list of resources you can find [here](#) with information to help ease financial burdens and help prepare businesses for recovery.

Some of those include:

While most of us are sheltering in place and waiting for the all-clear from the CDC, community leaders are making great efforts to bring the community together remotely and in spirit by organizing uplifting and meaningful campaigns and digital concerts. We hope you'll join us to hear

[Jeremy Davis and the Fabulous Equinox Orchestra stream a live show tonight at 8 p.m.](#), sharing some brightness to begin our week.

There are rough times ahead for us in Savannah and Chatham County; however, we have every confidence that the tourism sector and small business will recover. The Chamber will continue our regular operations but within the guidelines set forth by the Centers for Disease Control. In the meantime, let's remember that we're all part of a larger business community and know your Savannah Area Chamber of Commerce is working diligently keep our members informed.

Thank you for your membership,
Jon Pannell
2020 Board Chair

[Chamber Events Suspended Through June 1](#)

As a member of Savannah's business community, we know COVID-19's disruption to your business has been both confusing and costly. The CDC has recommended that all social gatherings be postponed for the next eight weeks as a precaution against the spread of COVID-19.

To align with this and the other recommended precautions, the Chamber has decided to suspend all of its scheduled events through June 1.

We are staying informed and hopeful as we look for future potential dates going forward to reschedule some of our signature events. For right now, we are carefully monitoring the changing situation, and will let you know once gatherings are scheduled to resume.

[Be Counted: Make Sure to Complete Your Census 2020](#)

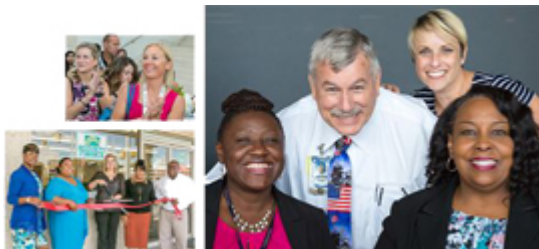

Even during this stressful and confusing time, it's important to look ahead to the future, and to prepare for the time when we can return to business as usual and continue our work to repair the local economy. That's why it's crucial that every household complete the Census 2020 form they receive in the mail, which has been going out since March 12, and count every individual residing in that household.
